

### BACK TO SCHOOL!

Each and every child has represented your family and our school superbly since returning to school and we continue to be particularly amazed with the children's resilience and the way in which they have handled this period of change. Thank you to all of our parents/carers and children for continuing to follow the procedures we have put in place at school and for the way in which the target year groups returned to us in such a sensible and organised way. This made the transition back to school go extremely well and ensured everyone is staying safe!

### HOME LEARNING

Well done to all the children who are still at home working hard. We are delighted with all the work that has been produced over past couple of months. Keep uploading your brilliant work on to your Dojo Portfolio. A huge well done and keep up the fantastic work everyone!

### GET CONNECTED

If you are not already connected to our platforms - My Ed App, Class Dojo and Tapestry (for Foundation only) it is essential that you do so as we will be sending out important information.

To download our app it is as simple as taking a photograph – select your camera icon and hold the camera over the 'SCAN ME' QR code printed below, and select our school. Or, go to your app store and search for My Ed and download the app.

To connect to Class Dojo ask your child's class teacher for your child's code.

Please ensure that your email addresses and other contact information is up to date. If anything has changed please email: [heatonavenue.office@sharemat.co.uk](mailto:heatonavenue.office@sharemat.co.uk).

## UNIFORM 2020

## AMAZING ART WORK

Mrs Humphreys has worked with every child in school who has each contributed to this fantastic piece of art work! This sure has been a year to remember and now we have a wonderful piece of art to commemorate it. This will be displayed in our dining hall for everyone to appreciate. Thank you Mrs Humphreys and all our children!

## A TREAT FROM TESCO

We would like to say an enormous thank you to Tesco in Cleckheaton who have donated crates of fruit to our school for our children to have for their snack. It is very much appreciated by all the children who have thoroughly enjoyed it!

## YEAR 6 LEAVERS

What a year! This year's Year 6 leavers worked so incredibly hard towards their SATs but were unable to take them. They were excited about the residential only to have it cancelled. They should have had a BBQ and evening at Bradley Woods but were unable to go. The year should have ended with an outstanding play and lots of fond farewells ... we couldn't do the play but children in school and those working from home have put together a song and memories so that their leaving does not go unrecognised (with a massive thanks to the staff who worked so hard to produce it). They have been a fantastic year group and we will be sorry to see them go but wish them all the very best for the exciting years ahead of them at high school.

## RETURNING IN SEPTEMBER

You will notice that your child has been moved to their new class on Dojo all ready for September. This means that they will still be within their current class until the end of this year but they will be getting class story messages from their new teacher as well as their current one. There will be a welcome transition video from their new class teacher introducing themselves and giving you a few indications about what September will be like. Please ensure you read the letter on Class Dojo which will explain our school plans in much more detail for our return in September and answers FAQ's. If you have any further queries, please do not hesitate to get in touch.

## A FINAL NOTE...

It has come to the time of year when we are, unfortunately, going to be saying goodbye to some of our staff team. Each one has played a vital and valuable role in shaping the lives of your children and we thank them greatly for their service to our school.

Mrs Bell will be leaving our Foundation team after 6 years to continue developing her own business. Mrs Bell has been involved with a wide range of children throughout the Foundation Stage and I am sure many of your children will have fond memories and stories to tell. I am sure you will all join me in wishing Mrs Bell all the best for her future endeavours and thank her for her hard work and commitment.

Miss Marsden will be leaving our Key Stage One team at the end of this term. Miss Marsden has been working in Year 2 and has fitted in superbly to our KS1 team over the past few months. It has been brilliant to see Miss Marsden working with our Year 2 team and we wish her all the very best for her continued career in teaching.

Mrs Howarth will be leaving us to take up her dream role of working within a special school. Mrs Howarth has been a true stalwart of our Lower key Stage Two team and she will be sorely missed. We wish her every success in the future.

Mrs Hayes will be leaving us after a mammoth stint of over 30 years being connected with Heaton Avenue Primary School. For those of you who can remember, Mrs Hayes started with us as a supply teacher in our Foundation Unit and has, I'm sure, touched the lives of countless children, parents and staff. She has been the heart and soul of the community BBQ since its inception and leaves us to seek new adventures. I know that Mrs Hayes will be wanting to keep in touch with the school community but she will certainly leave huge shoes to fill. I am sure you will agree that Mrs Hayes will leave with amazing memories, our best wishes and lots of laughter (and tears for those of you who know her well!).
